

Meet Mrs. D

Hi!! My name is Diane DeNuccio (a.k.a. Mrs. D). I am so excited to be a part of the Great Beginnings Preschool. This will be my first year with GBP, but I taught 3-year-olds for eight years at another local preschool before moving to Pittsburgh for a year. While in Pittsburgh, I taught a preschool enrichment class. After returning to Leesburg, I have been working as a substitute at a Montessori school.

I love teaching preschool! The preschool-aged child's curiosity and excitement of learning and discovering new things are very contagious. The children's enthusiasm and energy bring a smile to my face. Science experiments, cooking and fun games are some of the ways I love to instill the love of learning.

I grew up in Dover, OH but consider Leesburg home after being here for over 30 years. I received my undergraduate degree in Child and Family Services at Bowling Green State University and have a Master's in Early Childhood Education from George Mason University.

My husband, Maurice, and I have three children. Samantha (Sam) lives in Plymouth, MN. Trent is a sophomore at SUNY Geneseo and is on the school's hockey team. Grant is a junior in high school and plays hockey for the Washington Little Caps.

In my spare time, I enjoy reading, gardening, doing puzzles and walking my dog, Jack. I love spending time with my family and watching hockey, especially when my sons are playing!

I feel blessed and honored to be a part of your child's preschool experience. I look forward to meeting you and your child and getting to know more about your family throughout the school year.
