

Q: Will 2020-2021 registration fees be reimbursed and how will this school year affect early registration status for the 2021-22 school year?

A: 2020-2021 Registration fees and May 2021 tuition will be reimbursed. Reimbursement forms will be emailed to all families registered for the 2020-2021 school year. Our Early Registration is tiered. Leesburg United Methodist Church members, current students and alumni families have always been invited to participate in early registration each January. Families registered for the 2020-2021 school year prior to our decision to go virtual will be invited to participate in early registration for the 2021-2022 school year.
