

Q: Is there a trial period for the synchronous class? Can we cancel if it doesn't work for our child?

A: Our Synchronous model has a 3 month commitment as we will be assessing students and creating small/large groups. We also ask for time to establish routines, relationships and trust.

Our Asynchronous model is month to month. If you let us know before the 15th of the of the month, you are not responsible for the next month's tuition. After the 15th of month, you are responsible for one more month's tuition. For example: if you withdraw before December 15th, you will not pay January tuition. If you withdraw after December 15th, you will pay January tuition and receive January's materials.

*****That being said, if your current model isn't working well for your child or family, let us know! We will have a conference and proceed with what is best for your child! We want this to be a good experience for everyone!*****
