

# Meet Mrs. O'Connor

Hello! My name is Kathy O'Connor and I have been teaching in the 3-year-old class at Great Beginnings for the past 14 years. While working on this bio, I realized that the children I taught my first year here are now seniors in high school! Time sure does fly! My husband Ken and I have been married for 32 years and have been blessed with 5 children. They are all grown adults now (my youngest turned 22 in July!) so I really do enjoy spending time with and teaching the younger children.

Six years ago Ken and I got to spend 2 weeks in Ireland, it was such an amazing trip...we just loved the beautiful countryside and friendly people and learning more about where our ancestors came from. This past June, we were lucky enough to go back to Europe and spend 10 days in Italy with some close friends. It was truly the trip of a lifetime and I hope to get back there one day. Ken and I grew up in Long Island and moved to Leesburg 26 years ago. Although we do call Leesburg "home", we still cheer on our favorite NY teams! It is not easy living in Northern Virginia when you are a Rangers fan, Mets fan, and Giants fan!! Besides following sports I enjoy knitting, reading and just hanging out with family and close friends.
