

Meet Mrs. Rommelmeyer

Hi! My name is Deirdre Rommelmeyer and I am thrilled to be teaching the Busy Bees Pre-K 4s class once again this year. This is my 4th year at Great Beginnings and I know it will be a fantastic year! My family has called Leesburg home for the past 8 years. I was born and raised in the Maryland suburbs and was very happy to return to nearby family and friends when my husband retired after 21 years of service in the US Army. My twin boys attended Great Beginnings Preschool when it was LUM Preschool and we are active parishioners at St. John the Apostle Roman Catholic Church.

My sons, William & Nathaniel, will start 5th grade at Catocin Elementary School this year and love to play flag football, lacrosse, attend Cub Scout events and swim on our neighborhood swim team.

I have a B.A. in Political Science and American History from Vanderbilt University. Before becoming a mom, I spent my career working in Human Resources in a variety of industries, including Higher Education.

In my spare time, I volunteer in my boys' classrooms and at their school events. I love spending time with family & friends, reading, visiting museums with my twins, and vacationing at the beach.

I can't wait to get to know my new Busy Bee friends this year and help them prepare for Kindergarten - we are going to have so much fun!
